Customer Problem Statement Template:

Create a problem statement to understand the customer's point of view. The following statements are written for the Car Rental Request process.

Problem Statements

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	a user requesting a rental car	submit my car rental details and get the request approved	the request may require manual coordination and follow-up	approval and fulfillment involve multiple steps	uncertain when the request takes longer to process
PS-2	a person responsible for processing an approved rental request	receive and fulfill approved rental requests	it can be difficult to track which approved request needs action	a fulfillment task must be created and routed to the responsible group	concerned about delays or missed fulfillment actions
